

## YOUR INTERGROUP

Intergroups (or Central Offices as they are sometimes called) provide a local clearing-house for A.A. groups. Although they are not a part of the General Service Structure of Alcoholics Anonymous, Intergroups are an A.A. entity responsive to the local fellowship. Here are some service positions that may be available at your Intergroup:

**CHAIRPERSON**—conducts business meetings and coordinates activities with other Intergroup officers.

**VICE CHAIRPERSON**—manages the 12-Step List and coordinates duties with the Chair.

The following pamphlets are published by Brevard Intergroup: *This Is Your Brevard Intergroup*, *The Twelfth Step Call*, *So You're Court Ordered*, *Making a Start in AA* and *The Phone Army Wants You*. Look at them along with *Intergroup Bylaws* for more information. Attend your monthly Intergroup meeting—visitors are always welcomed at both Board and Rep meetings. Check the *Unifier* calendar.

## BE A PART OF (INSTEAD OF APART FROM)

So now you've got a good overview. If you are like most of us, you might find this information helpful on your journey in discovering the rewarding joy of A.A. service work. Remember that we are all learning as we go along in our various positions. Read A.A. service materials, talk to others, maybe even get a *Service Sponsor*. Try to select someone whom you know is familiar with the structure and process of Alcoholics Anonymous. A Service Sponsor can be an invaluable tool in your service work much like a regular sponsor is in helping you to stay sober.

You never have to be alone again when you join with the many members who have found contented sobriety in service work. Service workers provide something far more valuable than their donation in the basket—they give of themselves to get the work done that makes it all go! And just about the time when you finally feel proficient in your position, your term will be up. You'll rotate so it stays fresh for you and gives someone else a chance to do what you just did. And so it starts all over again. But don't forget—our very survival requires that we must carry the message to the alcoholic who still suffers and that can sometimes mean lots to be done. We need you. Keep coming back!

## WHERE TO BEGIN

There are four places where you might find A.A. service work opportunities. You might want to participate at your Home Group, your District, North Florida Area or Brevard Intergroup.

Many different positions are available, but please bear in mind that each A.A. entity is autonomous so there may be slight discrepancies with what is outlined here.

However, before you volunteer for any position you should ask three questions:

1. How long is the job for?
2. How much sobriety is suggested?
3. What are the required duties?

For example, all the Treatment Chairpersons from each District meet with the Treatment Chairperson at Area during an assembly to share experience, strength and hope.
